### **Unofficial results: Voters elect incumbent Mayor and Trustee, two new Trustees**

Unofficial results of the Town of Estes Park's Municipal Election show voters have reelected Mayor Bill Pinkham and Trustee John Ericson, and elected Ron Norris and John Phipps to the Town Board as first-time Trustees. In addition, voters said "no" to the ballot issues related to the Town's publication requirements in the local newspaper of record for ordinances, titles of contracts valued at more than \$30,000 per year, and bills paid. Therefore, the Town will print these items in the newspaper as voters requested, as well as make them available at Town Hall and on the Town's website [www.estes.org](http://www.estes.org).

Results become official after the Town Clerk certifies the election results following a waiting period that ends on April 13. The newly elected and reelected officials will be sworn in at the April 24 Town Board meeting. That meeting takes place at 7 p.m. in the Town Board Room of Town Hall, 170 MacGregor Ave.

Approximately 61 percent of active voters registered in the Estes Park town limits cast ballots in the April 3 election. The Town contracted with Larimer County to perform the mail ballot-only election. Complete unofficial results are available at [www.larimer.org/2012election](http://www.larimer.org/2012election).
